Docket No. 98N-1265

Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Please don't take away my compounded medication from Madison Pharmacy. I've been taking these hormones for years & they help me get through each day alleviating my menopausal symptoms. I can not have an "inordinate amount" - I need my hormones each & every day.
